## KIT

Is an organisation which enables parishes to keep in touch with all local Catholics, whether or not they go to church, and to offer those who wish the opportunity to explore their faith and today's Church

\*

You can look us up on the website

\*

You can ring us, write to us or email us

\*

We can visit you at home, or meet you for a coffee

\*

We invite you to come to a few small, lay-led group meetings where you can ask questions, deal with difficulties and learn about today's Church in a friendly and informal atmosphere, without the need to commit yourself

## Your local church

Is made up of ordinary people, fragile and imperfect human beings.

We are not perfect, but we are trying hard to be a true family where everyone is welcome.

We are deeply sorry if you have been hurt by a member of the Church.

If you have been away for a long time you may find that today's Church is very different.

You and your story could help us to become more Christ-like. Your contribution is very valuable. So are your God given gifts, and we are incomplete without them.

This leaflet is loving invitation to think about returning to Church. We have missed you.
